NEED A TIME-OUT FROM YOUR KIDS AND A MOMENT OR TWO WITH GOD?

Filled with mirth and encouragement, this inspirational devotional leads you through the names of God as you march through the trenches of motherhood.

These short devotions and life stories, told in Heather's "been-there-done-that" voice will help you laugh at life's most embarrassing moments, remember that God is with you in the midst of your worst moments, and help you put life back into perspective.

Heather takes women by the hand and leads them to the home their hearts have ached for—a place where God fits the messy moments and broken pieces of their lives and fits them *perfectly* together through his amazing grace.

Known as "*The Real Mom*" she authentically shares the beautiful and broken moments of everyday life that push us to embrace God through: motherhood, marriage, family, kids, books, heartache, faith, imperfection, and all the things that reveal his heart. Her passion is to point women to God because she knows a woman in God's hands has the power to sculpt and shape the future—touching and changing the next generation for Christ!

She is the author of *Mama Needs a Time Out* and is excited about her upcoming book release for teenage moms and their mentors.
