

Social Media & Electronics Contract for Kids

Engaging & Setting Up

- I understand my parents have access to my accounts and electronics **at all times**. I understand they can revoke my rights and privileges as needed.
- I will ask my parents' permission before joining any social media site or downloading any app or surfing to new apps or sites.
- I will give my parents **ALL** my passwords for **ALL** my accounts and electronics. I will **NOT** give my passwords to anyone but my parents.
- I will allow my parents to set my privacy settings & location settings for all accounts. I will not change these settings.
- I will **NOT** set up any private accounts.
- I will **NOT** friend strangers and will talk to my parents about any strange comments, messages, or requests.

Sharing

- I will **NOT** post personal information without my parents permission, this includes: age, address, location, school, interests, and name.
- I will **NOT** post or share photos / videos of myself, family, or friends without my parents permission.
- I will **NOT** post any status or comment that does not reflect my values, integrity, or character. This includes offensive language.

Code of Conduct

- I will follow my parent's rules regarding time limits and online use. I will turn off all devices at the requested time.
- I understand posting certain videos and photos IS punishable by law, not just by my parents.
- I will tell my parents if someone is bullying me whether it is online, instant messaging, or text messaging.
- I will meet my parent's academic and family standards.
- I will **NOT** meet anyone in person who I haven't met online.
- I will **NOT** engage in social media bullying and will report my friends if I see it happening.

Consequences

I understand that I will receive the following consequences if I violate the any of the rules listed above:
